

Calling all Town Center Elementary School Families to participate in a fun and Interactive evening of Science, Technology, Engineering, Arts and Math.

Date: Friday, April 27th, 2018
Time: 6:00pm – 8:30pm EST
(6:00pm-7:00pm = For families with last name beginning with A-M)
(7:30pm-8:30pm = For families with last name beginning with N-Z)
Ticket Price: \$10.00 per Family (A maximum of 6 immediate family members)
(Ticket money covers the cost of materials used at various stations)
Note: **This is a family event.** Children must be accompanied by an adult at all times.

S.T.E.A.M. education is an interdisciplinary and cohesive approach that is integrated with real world, problem-based learning. Encouraging your child’s natural curiosity and talents through STEAM activities helps your child learn:

- how to persevere
- how to learn from failure and still try again
- how to re-evaluate, redesign and re-think a problem to create a unique and inventive solution.

Students work together with their families on various stations dedicated to interactive activities based on the concepts of S.T.E.A.M.

We have limited Space. Please get your tickets soon.

Please fill the form clearly and submit along with the ticket money, in an envelope marked “S.T.E.A.M. Night Money”, **deadline Friday, April 20th by 3:30**. You will receive your tickets by Wednesday, April 25th.

Contact towncenterpta@gmail.com for any further questions.

S.T.E.A.M. NIGHT TICKET ORDER FORM

(Form and money due by Friday, April 20th)

Name of the Student: _____
